Who We Are

AFTUDER Charity is a non-profit, non-governmental organization (NGO) established by a group of educators and social activists. We are dedicated to improving lives across the Horn of Africa by expanding access to quality education, supporting vulnerable communities, and implementing sustainable humanitarian and development initiatives.

Through our integrated programs, we work to alleviate suffering, strengthen community resilience, and promote dignity, self-reliance, and sustainable development.

Our Vision

To build a stable and resilient society where everyone can meet their basic needs, enjoy their fundamental rights, and live with dignity.

Our Mission

To deliver humanitarian assistance, uphold human rights and freedoms, and promote sustainable development, prosperity, and good governance to improve livelihoods and strengthen human dignity.

Our Core Values

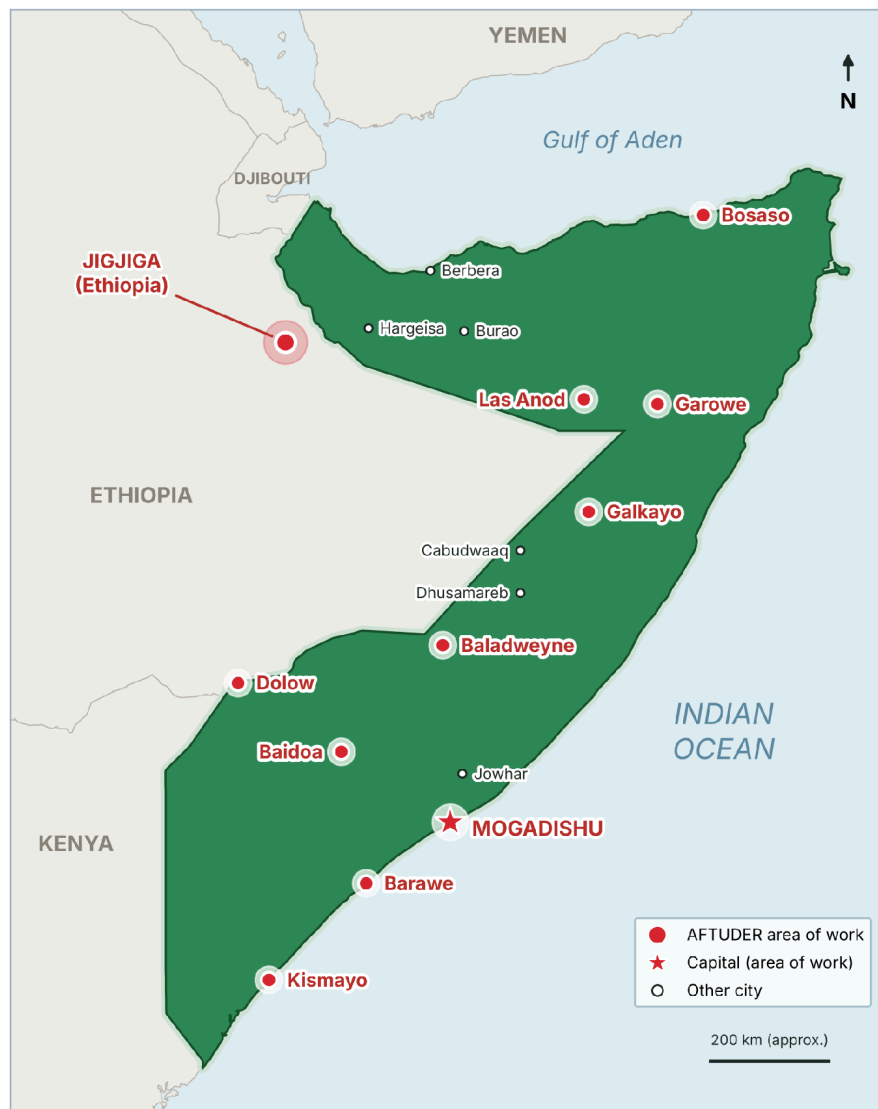

- **Integrity** — We uphold honesty, transparency, and responsibility in every aspect of our work.
- **Respect and Dignity** — We treat everyone with respect and fairness, regardless of gender, religion, ethnicity, or background.
- **Accountability** — We remain accountable to the communities we serve, our donors, partners, and applicable laws and regulations.
- **Impartiality** — We provide assistance based solely on humanitarian needs, without discrimination.
- **Protection and Safeguarding** — We are committed to protecting children and vulnerable individuals from abuse, exploitation, neglect, and harm.
- **Zero Tolerance for Corruption** — We do not tolerate corruption, fraud, bribery, or misuse of resources in any form.

Our Reach and Impact

AFTUDER Charity operates across Somalia, Ethiopia, and Kenya, with official registration in all three countries.

Guided by humanitarian principles and international standards, we respond to community needs through timely, impartial, and accountable interventions. We work closely with public authorities, local communities, humanitarian organizations, and development partners to deliver effective and sustainable assistance.

Our Areas of Work: Somalia & Jigjiga, Ethiopia

Boundaries: Natural Earth (public domain). Boundaries are approximate and not authoritative.

Our Areas of Work

At AFTUDER Charity, our programs focus on strengthening communities, transforming lives, and delivering essential services to people in need. We currently implement humanitarian and development initiatives across Somalia, Ethiopia, and Kenya.

Core Programs

- **Food Security and Nutrition** — Enhancing food security and nutrition outcomes for vulnerable households across our areas of operation.
- **Education** — Expanding access to quality education for every child and creating opportunities for a brighter, more equitable future.
- **Health** — Providing essential healthcare, nutritional assistance, and social services to improve health outcomes and community well-being.
- **Water, Sanitation and Hygiene (WASH)** — Improving access to safe drinking water, adequate sanitation, and hygiene services to protect public health and prevent disease.
- **Economic Empowerment** — Creating income-generating opportunities and promoting sustainable livelihoods to strengthen community resilience and empower vulnerable households.
- **Protection** — Protecting vulnerable groups through orphan care, child and women protection, support for persons with disabilities, and assistance to the elderly.
- **Seasonal Programs** — Qurban and Ramadan programs provide essential food assistance to vulnerable families and communities, helping ensure that people in need can access nutritious meals and observe the holy month of Ramadan and the festivals of Eid al-Fitr and Eid al-Adha with dignity.
